

## Management Consulting Career Opportunity

Banister Research & Consulting Inc. is a growing, Edmonton-based management consulting firm specializing in market research and program evaluation, for a variety of government, associations and private sector clients. Our team of consultants is highly trained, knowledgeable and client-focused. We are dedicated to collecting useful and reliable data to help clients make informed, effective decisions.

The company has a full-time career opportunity as a Research Associate. The successful candidate will be involved in the wide range of projects undertaken by the firm. Specific tasks include data review and synthesis, report writing, project management and design and development of presentation materials.

### Qualifications:

- ◆ Excellent writing skills.
- ◆ Strong interpersonal and verbal communication skills.
- ◆ Ability to think logically and pay close attention to detail.
- ◆ Enthusiastic, energetic – enjoy working in a fast paced environment.
- ◆ Capacity to thrive in a time-sensitive, multi-tasking environment.
- ◆ Excellent analytical skills and the ability to work effectively in a team, as well as independently.
- ◆ Strong computer skills (Word, Excel, Powerpoint, and SPSS).

Banister Research has two offices in Edmonton. This position will work out of our Oliver office, located in a refurbished historical home just off the downtown core. This warm, comfortable environment reflects our philosophy of supporting the growth and career development of our staff. We are committed to teaching and mentoring all facets of the consulting field.

Compensation is commensurate with experience – **please state expectations in your application.**
